

## e-MINDS video award

Dear Colleagues,

We are inviting applications for the *e-MINDS video award* from early career investigators pursuing research in the field of e-MINDS COST Action.

The candidates are asked to submit the following files:

1. A video of 5-7 min showcasing their research. The topic of the video should fit e-MINDS COST Action scientific aims. The audience targeted is society in general, so the style should be that of a popular presentation.
2. An abstract (already or about to be) submitted at a conference of their choice. Some details of the conference (e.g. website) should be provided.
3. A brief CV accompanied by a statement of relationship with the e-MINDS COST Action.

The e-MINDS video award will be given in the form of a *Travel Award*, consisting of up to 1000 € to cover the actual expenses (e.g. registration fee, travel and accommodation costs, ...) <sup>1</sup> associated to the attendance at a conference of applicant's choice to be held no later than April 22, 2018. The applications will be assessed by an Evaluation Committee composed of Dr. Salvador Pané (Chair of the Action), Dr. Caterina Zanella (Responsible for gender balance of the Action) and Dr. Maria Lekka (Dissemination coordinator of the Action).

A general requirement will be that all candidates should be:

1. Early career investigators (preferably PhD students).
2. They must present their own, original work as an oral presentation (or poster) at the conference for which the travel award application is being made.
3. If the abstract is selected for an oral presentation, the awardee must include a slide promoting e-MINDS COST Action.

The winner video will be uploaded to the e-MINDS website (<http://www.e-minds.ch/the-project/cost-mp1407/>) to increase the visibility of the young researchers and will be used as promotion material of the Action.

Please send your applications to [scientific@e-minds.ch](mailto:scientific@e-minds.ch) by January 31, 2018. The winner will be announced by mid-February 2018.
